

Shout

In my heart, there was no fire
In my soul, there was unrest
I took all my troubles, and gave them to Jesus
He took all my pain, and He made me whole

Refrain

So I will . . .
Shout to the Lord
I give Him the glory
Shout to the Lord
I give Him praise
Shout to the Lord
He is my honor
Shout to the Lord
He is my grace

In my mind, there was some confusion
In my life, untold unrest
I took all my questions, and I gave them to Jesus
He took all my pain, and He showed me the way

Refrain

So I will . . .
Shout to the Lord
I give Him the glory
Shout to the Lord
I give Him praise
Shout to the Lord
He is my honor
Shout to the Lord
He is my grace
