I Need Your Love

I should never try to make this journey on my own
I should never put my trust in the arm of flesh
When heartbreak and pain
They come my way
I lean on you Jesus
For you are my refuge

Chorus
What will I do, what will I do without you Jesus?
What will I do, what will I do without you Lord?
I need your love
I need your love

I should never try to take my eyes off the Word of Truth
I should never make a move without your peace
When tough times and trials
They come my way
I lean on you Jesus
For you are my refuge

Chorus
What will I do, what will I do without you Jesus?
What will I do, what will I do without you Lord?
I need your love
I need your love

Bridge
I need your love
Thank you for loving my soul
I need your love
Thank you for loving my soul

Coda to Fade
Lover of my soul
Lover of my soul
I need your love
Thank you for loving my soul
