How Can I Love

Prelude
How can I love … You?

Verse 1 ***Mezzo-Forte***
What does it mean
To I say I love You my Lord?
Words do come easy
for someone I've never seen
How can I love You
Without loving Your children – my neighbors and strangers?
How can I love You
Without loving the people I see?

What do I mean
When I say I love You my Lord?
(How can I love?)
Words do come easy
Action is another thing
How can I love You
Without loving these people – my brothers and sisters?
How can I love You
Who I have never seen?

Chorus ***Forte***
Loving Your children
Is how I can love You
Loving Your people
Is how I, how I can love

Verse 2 ***Mezzo-Forte***
How many times
Do I say I love You my Lord?
Do words come as easy for those I get to see?
How can I love You
Without loving these people I see day after day?
How can I love You
Without loving these people You made?

How many times
Do I say forgive me my Lord?
(How can I love?)
Do words come as easy when I'm dealing with my neighbor here?
How can I love You
Without loving these people I see every day?
How can I love You
Without loving the people You love?

Chorus ***Forte***

Interlude
That's how I can love … You

Bridge ***Mezzo-Forte***
How can I love You?
How can I love You better?
How can I love You?

How can I love You?
How can I love You really?
How can I love You?

Chorus ***Forte***
