Father of Fathers

Verse 1 ***Piano***
Our Father is here
In the morning
Our Father is near
In the evening
Father of fathers, the fathered, the unborn

Our Father is here
In the sun and rain
Our Father is near
Through thick and thin
Father of the fatherless, the fathered, and the gone

Refrain ***Mezzo Forte | Forte***
Wherever we go
Wherever we come
Wherever we find
We have to be
Wherever we run
Wherever we hide
Our Father is here

Whatever we know
Whatever we lack
Whatever we have
Whatever we need
Whatever we do
Whatever it takes
Our Father is here

However we come
However we go
However we choose
However we don't
However we start
However we end
Our Father is here

Whenever we smile
Whenever we cry
Whenever we find
We have to pause
Whenever we win
Whenever we lose
Our Father is here

Verse 2 ***Piano***
Our Father is here
When we know
Our Father is near
When we don't
Father of fathers, the fathered, and the born

Our Father is here
Everyday
Our Father is near
Every night
Father of the fatherless, the fathered, and the gone

Bridge to End
So, let's pray
Every day
Let's pray
To do His will
Let's pray
To our Father
Father
In Heaven

I pray …

Wherever I go …
