Love is a Wonder

Love is a wonder
O so tender
Love is a treasure
O strong anchor

Love is patient, Love is kind
Knows no envy, knows no pride
Knows no boasting, knows no anger; is not selfish, is not rude
Thinks no evil, seeks the truth; keeps no record of the wrong
Love thinks no evil
Love knows no evil

Refrain
It's about love this life; it's about love this life . . .

Love is a blessing
O forever
Love is the answer
Strong deliverer

Love is patient, Love is kind
Knows no envy, knows no pride
Knows no limit to endurance; knows no end to its trust
Knows no fading to its hope; never fails, never ends
Love knows no fading
Love has no ending

Refrain
It's about love this life; it's about love this life . . .

Bridge
Love is . . . a wonder
Love is . . . a treasure
Love is . . . a blessing
Love is . . . the answer
Of faith, hope and love
Love is the greatest gift
Of faith, hope and love
Love is the greatest gift

Refrain
It's about love this life; it's about love this life . . .

Coda to End
It's all about love
It's all about love
