

Always Near

Dancing in the sanctuary
I can tell he is here
In every word of prayer
Every song of praise
He is here

Driving on the highway
I believe he is here
In every move of faith
Every work of grace
He is here

Refrain

*I know, I know
Jesus is here
I believe in His Word
I believe He is here*

*I know, I know
Jesus is here
I believe in His Word
And I know He is here*

Standing at a crossroads
I believe He is here
In a listening prayer
The still small voice
He is here

Stepping into the future
I can feel he is here
On the path I walk
The Word of Life
He is here

Refrain

Bridge

*I'm stepping into the future, where the throne of God reigns
I'm reaching up higher, each and every day
I'm walking into tomorrow, into his perfect will
'Cos I believe He is here . . .*

Refrain

*Jesus is here . . .
Jesus is here . . .
He's here, inside your worship/He's here, giving you favor
He's here; inhabiting your praises/He's here, blessing you, blessing you . . .*
