

**I Worship You My Lord**

1                      2              5              1  
 I worship you, I worship you my Lord

1                                      5  
 I lift you up; I give you all the praise

1                                      4  
 I worship you, I worship you my Lord

1      2                      5      1  
 I worship you, I worship you today
