Nothing I Am

Verse 1 ***Pianissimo***
I love you LORD
Can I say it again?
Wherever you are
Joy finds my heart

O I love you Lord
Can I sing it again?
Wherever you are
Hope fills my soul

Refrain ***Piano to Forte***
There's nothing I want but You
There's nowhere I'll go without You
There's nothing I seek besides You
There's nothing I'll find outside of You

There's nothing I have but You
There's nowhere I'll run but to You
There's nothing I need besides You
There's nothing I'll find outside of You

Verse 2 ***Mezzo-Forte***
I love you LORD
Can I shout it always?
Wherever you are
Joy finds my heart

O I love you Lord
Can I live it always?
Wherever you are
Hope finds my soul
