## BEING POWER-FILLED

### 1 – He is Able

**Ephesians 3:20-21**

**20** Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, **21** to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen.

The believer has been filled with the power of God by the presence of the Holy Spirit residing in us. Therefore we have a faith that is not rooted in the wisdom of man but rather, in the power of God. By such faith, we can believe that God is able to do 'exceedingly abundantly above all that we ask or think, according to that power that works in us.' Scripture says God is able to, not necessarily God will do, more than we ask or think. This then makes us rely on His wisdom and will and not suppose He will do whatever we desire. At the same time, we are assured of this tremendous power He has placed in us and remind us to give Him glory forever and ever. We should get excited each moment we come to God with our petitions or even with the things we think on that will glorify Him. We are power-filled powerful beings because we have the power of God working in us.

### 2 – Getting Personal

**Philippians 4:13**

**I can do all things through Christ who strengthens me.**

It is the role of the evil one to make us think less of ourselves and God's power in us, hence this reminder of the glory of God and His power manifested in us. This is the same power that was in Paul and enabled him to share this personal testimony above. Paul could not be weighed down by failure, fear, defeat, thoughts of impossibilities, or lack. He knew nothing could separate him from God's love and power. He knew the power of the Holy Spirit had been placed in him to achieve results beyond the natural, and he confessed that constantly. How are we able to achieve this? We have to be constantly conscious that the power of God lives in us. Our mind should constantly be stayed on Him and on the fact that all God's power and might is in our spirit and being. To become like Christ is to think like Christ, who knew that God's full power resided in His being. We have to consciously meditate on His Word and constantly confess this fact. Let us know that we are power-filled powerful beings because we have the Spirit and power of God permanently residing in us. Let us exercise that power in all areas of our lives today and always so that we can testify of God's power in us! Amen.

### 3 - Take Away

To become like Christ is to think like Christ, who knew that God's full power resided in His being. We have to consciously meditate on His Word and constantly confess this fact. Let us know that we are power-filled powerful beings because we have the Spirit and power of God permanently residing in us. Let us bring that power to bear on all areas of our lives today and always! Amen.
