## If I Could See Jesus

February 2013, Vol. 5, No. 1

1

If I could see Jesus  
Peering back at me  
Through the eyes of another man  
Or woman  
I would treat Him always  
With dignity and respect  
Love and honor

5

If I could see Jesus  
Preparing my mansion  
As I fulfill His purpose on earth  
In heaven  
I would be anxious for nothing  
Resting in His deep love  
Knowing my eternity is assured

2

If I could see Jesus  
Interceding for me  
At the right hand of the Father  
In heaven  
I would walk more confidently  
My heart hope-full; my joy full  
My peace intact

6

If I could see Jesus  
Watching, working  
Building His Kingdom on earth  
As in Heaven  
I would see that His Kingdom  
Transcends time and space  
Is ever present

3

If I could see Jesus  
Standing next to me  
Gazing in love at His beloved girl  
Or boy  
I would come to Him always  
As my big, big Brother  
Waiting for His little one

7

If I could see Jesus  
O if I could see Jesus  
Through the eyes of all His creation  
His Body  
My life would change  
My walk on earth become  
A sweeter, surer walk with the Three-In-One

4

If I could see Jesus  
Gazing at me  
As I make my way through my day  
And night  
I would comport myself  
Always as His ambassador  
Watching over His little ones
