Lover of My Soul

Who else is the lover of my soul?
Who else can be the lover of my soul?
It is an honor, a blessing, to know you, my savior
With all my heart, my soul, I appreciate your everlasting love

Who else sees the depths of my soul?
Who else can minister unto the depths of my soul?
It is amazing, you know me, and love me, my savior
I am amazed, simply amazed, at your everlasting love

Refrain
How do I say thank you to the lover of my soul?
How do I say thank you to the lover of my soul?
Like I believe you hear me when I call
I do believe you hear me when I lift you up, and praise your name

Bridge
I lift you up
And praise your name
I lift you up
And worship you
I lift you up
And praise your name
I lift you up
Lift you higher . . .
