

We Belong to You

Verse

1
Straight across the ages
5
Through the changing times
4
You've been loving us
5
You've been here with us

Straight across the seasons
Through the nights and days
Loving without ceasing
Loving all the way

Through the days of joy and sorrow
When all is said and done
We belong to You
We belong to You

From the rising of the sun
To the setting of the same
We belong to You
We belong to You

When our minds are clear and hopeful
Though confusion and in doubt
We belong to You
We belong, we belong, we belong to You
