Mighty Jesus

You are my life
You are my joy
Jesus, I'm here to praise your name

You are my peace
You are my King
Jesus, my praise is for you

You are my light
You are my strength
Jesus, I'm here to praise your name

You are my friend
You are my all
Jesus, my praise is for you

Refrain
I give you the glory for who you are
Jesus, Jesus, mighty Jesus
I give you the glory for all you do
Jesus, my praise is for you

I give you the glory for who you are
Jesus, Jesus, my King, Jesus
I give you the glory for all you do
Jesus, my praise is for you

Bridge
I give you the glory
I give you the praise
Jesus, Jesus, mighty Jesus

I give you the glory
I give you the praise
Jesus, my praise is for you

I give you the glory
I give you the praise
