Word Became Flesh

Matthew 25:40 (TLB)
'When you did it to these my brothers you were doing it to me'

John 1:14 (NKJV)
'The Word became flesh and dwelt among us.'

The Word of God became flesh and unleashed the love and power of God to mankind. This Christmas and New Year, some of the people around you are hurting. Some have lost hope. Many are grieving lost loved ones. Many are struggling to make ends meet. Let the word in Matthew 25:40 become flesh. Lift the grieving or fallen, encourage the despairing and minister to the sick, the lonely and the forgotten. Reach out to someone, with an encouraging word or deed, with the whole Spirit and Word of God packaged in you. May it be an unforgettable experience for you. And them. Amen!
