## Christ in Me

March 2013, Vol. 5, No. 2

1

Christ in me  
Is the hope of *glory*  
The same yesterday, today, forever  
“Me in Christ” a work in progress  
As I live, move and have my being in Him –  
Moment by moment  
Thank God for me in Christ  
But *glory* to Him who is the hope of *glory*!

2

My Father  
Is the Ancient of Days  
My Father is unchanging  
I in my Father a work in progress  
Born again to work out my salvation in fear and trembling -  
with His help  
Thank God for me in Him  
But *glory* to Him who is the Ancient of Days!

3

The Holy Spirit in me, others  
Is my leader  
The Holy Spirit is forever the same  
Me in the Spirit a work in progress  
As I learn to follow His leading –  
become a son  
Thank God for me-after-Him  
But *glory* to Him who is from everlasting to everlasting!
